

Active Care Group 'Refer a Friend' Scheme

If you work for Active Care Group and would like to refer somebody to join, we want to hear from you!

To Refer a Friend, please email referafriend@activecaregroup.co.uk with your friend's name.

Please also ask your friend to apply for a role online on our jobs page (and state the Refer a Friend scheme with your name in their application).

Once your friend has successfully completed the terms (we will have outlined these terms within the email sent out), then you are eligible to claim the payment for this referral.

For the **Care in the Home division** – for both live in and live out carer roles - the Refer a Friend bonus payment is £250 (Note: Terms and Conditions apply, subject to normal tax and NI deductions).

Refer a Friend bonus payments* vary by role and company within the group, you will be informed on application.

*Note: some parts of the group do not offer a refer a friend bonus scheme.
