Situated in Swindon, Wiltshire we're a residential service providing support for adults of all genders with learning or physical disabilities. At Bobbins we treat each resident as an individual, listening to their wants and needs so we can tailor a package of care alongside a warm and nurturing environment which reflects our residents wishes.

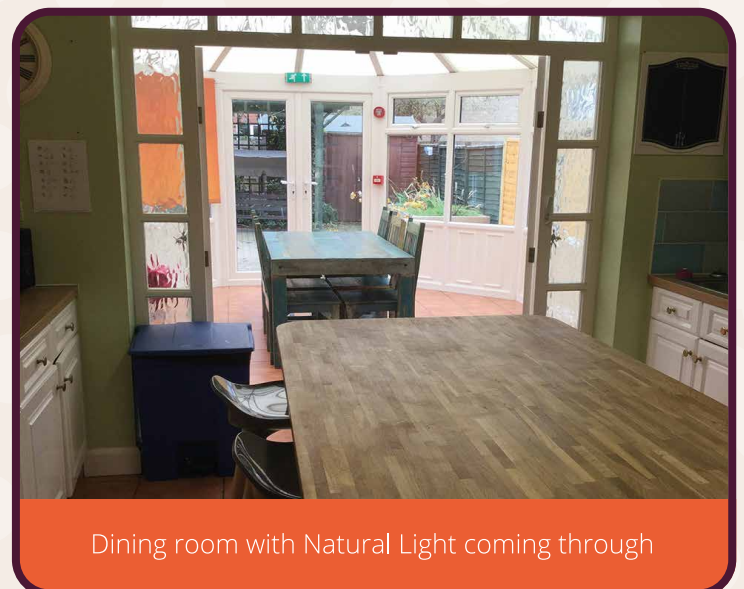

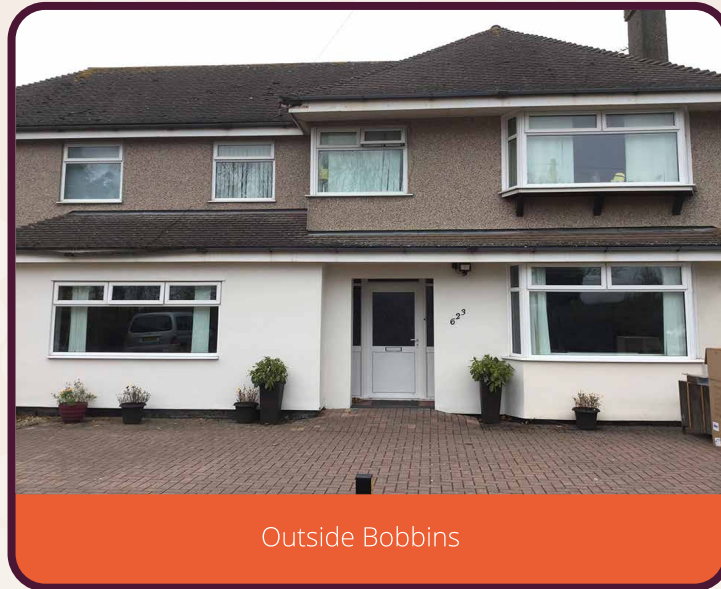

Supported by a highly trained staff team, people are encouraged to strive towards autonomy over their own life, to make their own choices, develop their own interests, do things for themselves and become a valuable part of their local community. Located within easy reach of local amenities, people are encouraged to access external activities, community support teams and develop useful links with education providers, employers and other local services.

We understand that all the people we support have different needs, so alongside their key workers, families, and medical professionals we ensure that the support we provide is bespoke in every detail. Each person has a comprehensive support plan which covers every aspect of their care and support, taking in to account any concerns and issues that may arise and ensuring all needs and requirements are met enabling them to live the very best life possible.

Take a look around...

At Bobbins we can provide specialist, holistic care and support for up to 6 residents at any one time.

Our facilities are equipped with the latest equipment which enable users of all abilities and mobilities to make use of them.

The sensory room allows residents to develop and engage their senses, relax, in a safe and secure environment.

Our wonderful team understand that a holistic approach is necessary to ensure that those in our care are safe, happy, and healthy. We promote and fulfil the company values of being caring, honest, pro-active, and empowering for those we support.

At Bobbins we have aligned and agreed our strategic goals to define what we want our organisation to achieve. This means we have also aligned them with the five domains of the Care Quality Commission (CQC) inspection standards to ensure we provide the very best care possible to all our residents.
