Byron Court, is situated in Selsdon (Croydon) and offers specialist care for individuals with Neurological conditions, learning disabilities, intellectual disabilities and associated mental health needs. At Byron Road we treat each resident as an individual, listening to their wants and needs so we can tailor a package of care alongside a warm and nurturing environment which reflects our residents wishes.

We work closely with each resident to help build their skillset and help them to be more independent in everyday life. At Byron Road we're committed to supporting our residents to be independent, confident and resilient. We have a specialist team that provides our residents the opportunity to grow and maintain a healthy level of good physical and mental wellbeing.

All the support provided to all individuals is person-centred, ensuring that the individual receiving care make their own decisions of how they want their care delivered with the support from their family, support staff from the service and associated health professionals. Each person has a comprehensive support plan which covers every aspect of their care and support, ensuring all needs and requirements are met, enabling them to live the very best life possible.

We provide specialist care to adults from 18-65 who received support from our highly experience team 24/7. Always ensuring that all their needs are met.

Our wonderful team understand that a holistic approach is necessary to ensure that those in our care are safe, happy and healthy. We promote and fulfil the company values of being caring, honest, pro-active, and empowering for those we support.

The communal areas of Byron Road resemble a family home and has also been decorated by the individuals that use the space. Byron Road's communal areas offer different spaces for different requirements and activities, such as a relaxing cup of tea and a chat, an area for relaxing and supporting mindfulness, enjoying the open air and sunshine while gardening, or just observing the visiting wildlife.

At Byron Road we have aligned and agreed our strategic goals to define what we want our organisation to achieve. This means we have also aligned them with the five domains of the Care Quality Commission (CQC) inspection standards to ensure we provide the very best care possible to all our residents.
