Conditions we support, but are not limited to:

- Brain injury
- Epilepsy
- Mental health
- Autism
- Learning difficulties
- Physical disabilities
- Sensory impairment
- Other complex needs

Hall Road is a registered care home providing guidance and support for up to seven people between the ages of 18 – 65 who have epilepsy and/or learning disabilities.

Staff encourage service users to get involved in activities such as swimming, cycling, bowling, trampolining and participate in day trips in line with service user preferences.

Trained staff teams provide and support to service users, enabling them to live as independently as possible within their own home.

Our wonderful team understand that a holistic approach is necessary to ensure that those in our care are safe, happy, and healthy. We promote and fulfil the company values of being caring, honest, pro-active, and empowering for those we support.

## Service Overview :

- Capacity up to 7
- Located in Sutton
- Suitable for all genders
- CQC Registered
- On-site Multi-disciplinary team
- Kitchen in each flat
- Community garden
- Full accessibility

At Hall Road we are able to provide specialist, holistic care and support for up to 7 residents at any one time.

We regularly host activities, we consult our residents to see what they would most enjoy and help to fulfil their wishes.

Each flat has its own kitchen meaning residents can dine in their own space where they feel most comfortable. The garden area is always full of residents interacting, playing games enjoying a book or training their green thumbs.

Hall Road is completely accessible to all residents no matter their mobility, we have made sure everywhere is accessible.

At Hall Road we have aligned and agreed our strategic goals to define what we want our organisation to achieve. This means we have also aligned them with the five domains of the Care Quality Commission (CQC) inspection standards to ensure we provide the very best care possible to all our residents.
