- Other complex needs

Situated in Sutton, Surrey Mayfield is a large house with 12 bedrooms, a sensory room and an accessible garden. We treat each resident as an individual, listening to their wants and needs so we can tailor a package of care alongside a warm and nurturing environment which reflects our residents wishes.

We work closely with each resident to help build their skillset and help them to be more independent in everyday life. At Mayfield we're committed to supporting our residents to be independent, confident, and resilient. We have a specialist team that provides our residents the opportunity to grow and maintain a healthy level of good physical and mental wellbeing.

Located within the heart of Sutton, this thriving community offers excellent transport links and all service users are supported to access opportunities both in and around their home.

At Mayfield Road we are able to provide specialist, holistic care and support for up to 12 residents at any one time. We have specialist bathroom facilities located through out the property allowing residents of all mobilities to use them. We also have a large dining area, community garden and a sensory room.

Mayfield Road is completely accessible to all residents no matter their mobility, we have made sure every where is accessible.

Our wonderful team understand that a holistic approach is necessary to ensure that those in our care are safe, happy, and healthy. We promote and fulfil the company values of being caring, honest, pro-active, and empowering for those we support.

At Mayfield Road we have aligned and agreed our strategic goals to define what we want our organisation to achieve. This means we have also aligned them with the five domains of the Care Quality Commission (CQC) inspection standards to ensure we provide the very best care possible to all our residents.

## We're here, lets talk.

We're here to talk to you about any care needs you may require. We have a dedicated team ready to assist you with whatever you need. Should you wish to refer someone to our care or arrange a visit please contact our referrals team.
