- Physical disabilities
- Acquired brain injury
- Other complex needs

Thornton Avenue is a supported living care service in Streatham, South West London. We provide care and support for individuals aged 18 to 65 who have epilepsy, learning difficulties, acquired brain injuries, behavioural issues, learning disabilities, autism and Asperger syndrome.

Everyone at Thornton Avenue is committed to making people's lives better, enabling our residents to achieve their hopes and dreams through round the clock access to unprecedented levels of care and support. Our vision is to make a difference; to enable people to optimise their potential and enjoy full, rewarding lives.

Our boutique led approach is based on a foundation of detailed planning and strategy with all stakeholders to derive a person-centred care model shifting from limitations to assets, through this collaborative alignment we are able to maximise the positive outcomes for our residents.

This pleasant residential home is made up of 6 large bedrooms, a spacious communal lounge, a dining area, and a tranquil garden with on-site parking.

Service Overview :

- Capacity up to 6
- Located in South West London
- Male Only
- CQC Registered
- On-site Multi-disciplinary team
- Positive behaviour support
- Communal living space
- Communal dining area
- Community garden

We monitor our people with their daily living skills, medical needs, emotional support, and encouragement whilst recording and monitoring all significant progress. Key working sessions run on a monthly basis to set goals for our people to achieve, these goals are shared with the whole team so that everyone we support has their own individual living plan.

We offer a wide range of activities within and outside of the house such as a large TV, games console, pool tables, dart boards and a computer, our residents can develop a great home social life.

At Thornton Avenue we have aligned and agreed our strategic goals to define what we want our organisation to achieve. This means we have also aligned them with the five domains of the Care Quality Commission (CQC) inspection standards to ensure we provide the very best care possible to all our residents.

Headway Approved

We are extremely proud to be accredited as an approved provider of specialist Brain Injury care by the Headway Brain Injury Association.
