

Prospect Court, Sutton

Supported living service
for adults

Capacity
up to 28

All genders

Adults

Supported living

Person-centred care plans

24-hour support

Prospect Court is a supported living service in Sutton, providing a mixture of one and two bedroom shared flats. We provide care and support for up to 28 adults between the ages of 18-65 who have epilepsy, learning and physical disabilities or other complex needs.

Our highly experienced staff provide 24-hour and waking night specialist support. The team help to promote independence and maintain a high standard of both physical and mental wellbeing. We're committed to helping every person feel safe, happy and empowered, enabling them to live the best life possible.

At Prospect Court, each individual we support will be fully involved in the development of their person-centred plan, and will be supported to reach their full potential at their own pace.

A key worker will meet with each individual monthly on a one-to-one basis to discuss their goals and aspirations. These sessions will be for any concerns or issues they may have, to provide support and to plan leisure, employment, and college activities if this will be proactive towards their targets. Everyone will have a dedicated member of staff to communicate with, however all staff are available to always help.

Socialisation is prioritised at Prospect Court and we plan fun activities to keep our individuals busy and motivated. We are pleased to hold BBQs, parties and birthday celebrations in our spacious back garden. With access to good transport links and local amenities, we encourage and support individuals to go for walks locally and to nearby towns to keep active.

We support those with but are not limited to:

- Epilepsy
- Brain injury
- Autism
- Learning disabilities
- Sensory impairment
- Mental health
- Physical disabilities
- Other complex needs
