Located in Sutton, Mayfield Road is a 12-bedroom residential service supporting adults with autism, learning disabilities and other complex conditions. We are committed to helping every individual we support to feel safe, happy, empowered enabling them to live the best life possible.

At Mayfield Road, we provide care and support for individuals, helping to encourage their independence, confidence, and resilience. We have a specialist team that provides the individuals we support the opportunity to grow and maintain a healthy level of good physical and mental well-being.

Our team, consisting of a Registered Manager, Deputy Manager, Senior Support Workers and Support Workers, provide support for adults with autism, learning disabilities and other complex conditions. We create personalised person-centred care plans in a warm, empowering environment that respects each individual's preferences and goals.

We work closely with each individual to help build their skill-set and help them to be more independent in everyday life. Individuals are encouraged to actively participate in the delivery of their care. We support with activities of daily living, including maintaining a safe environment, communication, dietary needs and personal care amongst others.

Located within the heart of Sutton, this thriving community offers excellent transport links and all individuals are supported to access opportunities both in and around their home. We support with providing access to community links such as cinemas, leisure centres, shopping centres, seaside trips, colleges, garden centres and cafés.

We support those with but are not limited to:

- Autism

Compliments:

"I have visited and inspected a wide range of care settings and I wanted you to know that I found everyone really friendly and welcoming at Mayfield Road. Everyone that I met seemed very happy. Compliments to your team and thank you to all for your hospitality and friendliness."

Professional

"Our son is more relaxed in himself and is less frustrated. He's getting out and about, like going to the museum, and enjoys the garden too — it's great to see the pictures from his outings and I trust the team to care for him."

Family member

"You have all made such a difference for my brother. He's having a great time and I can see how much everyone cares about him."
